

ELLIOTT WIDOLK

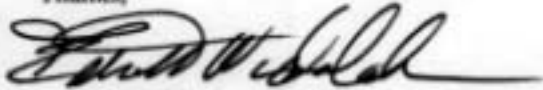

2955 Bond Drive
Merrick, NY 11566

July 15, 2002

Dear Rick,

We both would like to thank you for all your help. We are sorry for the trouble that you thought you might have. Fortunately it worked out trouble free. Chris was really first class, he did a wonderful job. I wish that I had employees of his caliber working for me. The unit is working beautifully and we are very happy with it. I will be very happy to recommend anybody looking for air conditioning or heating.

Thanks,
